COLOPHON 216

Presenting the coveted Vike Award to everyone who played a role as supporting actor or actress in "Life at Vernon Township High School." Without you it would not have been possible.

Movies are in, right? Wrong, movies are out . . . out-of-town they are, for the Vernon population. Out-of-town, Newton and Sparta offer theaters. Out-of-county, Rockaway Mall presents a good selection with six indoor and six outdoor screens. Out-of-state, Warwick Drive-In provides the best in summer viewing.

This season's favorites include **Flashdance**, **Cujo**, **Risky Business**, **The Big Chill**, and **Rumble Fish**. The **Rocky Picture Show** can still be seen at midnight on Friday and Saturday. The revived interest in current flicks has influenced the fads and fashions of Vernon Township students. Look around you. Check out the effects of the super stars.

Below: Nancy Kerr and Kelly Ryan entering the Warwick Drive-In

Below: John Rospond

"Come on
Feel the
Noise"

A rainy Saturday afternoon with nothing to do and the average teenager will tune into the sounds of the 80's. Here they will probably spend hours each day listening to tapes, records, the radio or going to concerts. The talented few will escape into their own creations.

An informal poll identified WPLJ, Z100 and WPDJ as the most popular radio stations. The top groups appear to be the Police, Loverboy, Rush, Quiet Riot, Men at Work and Van Halen. Vernon teenagers are willing to spend hours in line and their life savings to see and hear their favorites in concert.

Left: Rob Neves of Tyrant. Aaron Gaddis of Rude Mood, Scott Gardner and Larry Amato, members of Vengeance — the winners of the VTHS Battle of the Bands

Below Bruno Ferretti, the drummer of Tyrant

Flashdance

The summer of '83 brought movies such as **Flashdance** and **Staying Alive** to the silver screen. These hits revitalized dancing and introduced the torn sweatshirt. The Jennifer Beals look is definitely in.

The music industry has responded to the new demand for more danceable music. "What A Feeling" and "Maniac" both have dance beats. All over America the strobes are flashing and the feet are dancing.

Above left: Rue Lyn Sullivan. Bottom left: Lauren Wenegrat and Karen Woodruff

Above: Mary Ayn Meidling captures the feeling at Pleasant Valley Lake playground

The sleek, slick look of leather hit the fashion world during the fall of '83. The fad was started by box office hits such as "Class of '84", and high fashion campaigns.

Seniors Regina Talt, Lora Heimann, and junior Tracy Clark are particularly attracted to the leather look.

"As You Like It"

Vernon punkers have adopted rattails as their new symbol of "mane." The small ponytail added to a punk-do is then braided, dyed, or curled to achieve an individual look.

Feet fads are also in at Vernon. Prevalent are checkered shoes for the punkers, pumps for the sophisticates, ankle boots for casual lookers, and furs for the skiers. Vernon feet reflect Vernon personalities.

Another less obvious trend is that of chewing tobacco much to the chagrin of our administration. Although against the rules to chew on school grounds, devotees still proudly display the symbols of their habit.

Above left: "A pinch is all it takes," says Vernon chewer Jeff Rasmussen. Center: Wacker and Tom Burns.

Above right: Lisa VanBlarcom, Jeff Rasmussen, Tom Burns, Tim O'Keefe, Lenny Rinaldi, MaryAnn Meidling.

BRINE

at
VTHS

Left: The luxury gym was converted to a weight training facility during the summer of '98. Right: Ben Bortey typed in his program on the new BMPC system while Kelly Ryan and Mary Ayn Meidung observed.

Rarely can a mirror be found without some gorgeous young thing tidying up in front of it. The guys take a quick glance as they go by and once in a while they even take a long look.

Another obvious attraction at Vernon is a senior lunchroom created with the use of white trellises. In addition to private dining facilities, seniors may choose to join the underclassmen at the outdoor picnic tables when weather permits.

The most expensive of the new attractions is the curriculum area and comes with a \$41,000 price tag. There are eight new Radio Shack TRS 80's and 6 IBM P.C. Systems in the Mathematics Department making computer classes accessible to more than two hundred juniors and seniors.

Other added attractions around VTHS include a new optic yellow and blue ball used by the Viking soccer team at all home games, a newly designed weight lifting room in the auxiliary gym used by the football players daily at 4:50 p.m., and the colorful pins and ribbons sold weekly by the cheerleaders.

Left: Laune Minzine stopped at the front hall mirror to groom her hair before her next class. Below: During September 1983 Scott Spratt had run-in at the new outdoor picnic tables and Mary Washburn, off to class, in the design about senior lunch area.

Introducing the New Look

Everybody matches! Out went the tired antique gold blazers with worn-out seams; in came the royal blue look.

New uniforms for all marching units were purchased entirely by the Vernon Board of Education for approximately \$14,000. They were designed and made by Demoulin Brothers, the largest manufacturers of band uniforms in the country today.

This particular design was chosen because it was stylish, economical, warm, and practical. In time, the uniforms can be converted to concert attire for the musical members of the unit.

The complimentary unit members carry rainbow flags that enhance the visual effect of the performances. According to director, Mr. David Jones, the flags are the "curtain to our stage."

The new look had its premier appearance in Vernon's Memorial Day Parade on May 30, 1983. The first half-time show was at the Vernon-Sparta football game on September 17, 1983, and demonstrated how routines change and unfold in response to music. When the music is soft and slow, the routine is soft and slow; when the music is strong and fast, the movements correspond. The end result is an exciting artistic interpretation.

Now presenting . . . Our Town

A combination of farms, small lake communities and housing developments, Vernon Township is a picturesque example of our state's slogan "the Garden State." But it didn't take long for people to notice its beauty and populate the area.

As the second fastest growing district in the state, Vernon has changed drastically in the past two decades. With a constantly expanding enrollment, Vernon opened its own high school in September of 1975. Nine years later we have over one thousand students in grades nine through twelve

TOWNSHIP OF VERNON

Civic organizations, the town Council, and the Board of Education were honored guests on September 24, 1983, when Vernon Township High School proclaimed "Civic Day." Thirty-five students welcomed and entertained these guests at brunch. After parading to the football field and being greeted with recognition and applause, our guests were presented a victory of 20-0 over Wallkill Valley in this "the year of the Viking."

Above: Peter Petriccia is escorting Board Member Mrs. Farhat. Diana Peter is a member of the Student Council.

Top right: Betsy Anor is escorting Dr. Annacone, superintendent of Schools. Betsy is secretary of this year's Council.

Ready to Run

Local citizens, as well as visitors, owe a great deal of gratitude to the many students who spend countless hours in volunteer services in Verona Township. Bob Rosenberg belongs to the Ambulance Squad, Paul Sternberg & Gerry Osterhoudt are in the Fire Department; and Scott DiGuilio is in the Rescue Squad. All are integral parts of these services which are available twenty-four hours a day, seven days a week.

During the winter season the Ski Patrol is activated. Student members include Dorci Curtis and Gary Hayes. Outside of the Township, Mary Alice Hahn and Cathy Angus spend hours aiding nurses in Walkkill Hospital as Candy Strippers.

In all the Volunteer Services, students must first meet certain requirements. The First Aid Squad mandates that all applicants must take special classes and pass all necessary testing. The Rescue Squad trains students in mock disaster situations. The Fire Department demonstrates proper equipment care and use. The Ski Patrol also stresses first aid skills. Candy Strippers are exposed to hospital operations, while offering friendship & care to the patients.

Take Pride

"Have pride in our school," was the 1983 theme of spirit week which was sponsored by the Student Council

Students spent hours after school making decorations under the direction of their advisors. Each class had their own section of the hall to hang banners and posters. The effect was exciting

Dress-up days were scheduled with Monday for togas, Tuesday for sixties, Wednesday for sweats and hats, Thursday for punk and Friday for blue and gold. The purpose was to involve everyone in displaying spirit. Each day members of the council went to each homeroom to count participants. At final count it was the junior and sophomore classes that tied for first

The school week closed with a Friday pep rally to encourage the students to support the athletic program

Waited in Anticipation

The coveted honor of wearing the homecoming crown traditionally goes to a senior girl. She was selected to officially welcome returning alumni and be part of the half-time show at the October 15th football game against Newton. In senior homeroom on the 29th of September, Amy Clarke, Patty Hoileran, Laurie Manzione, Lori Neubert and Stephanie Pitsios were nominated for queen. Their photographs were taken on October 4th for the showcase and the football program cover.

All homecoming preparations were made by committee chairpersons Dale Prendergast and Linda Sturde and only they knew the results of the voting. Dale and Linda handled endless details from arranging breakfast to ordering flowers. The traditional reception for members of the alumni Class of 1983 was held in the school cafeteria.

The candidates were brought onto the field in convertibles supplied by Franklin Sussex Chrysler Plymouth and driven by Ben Bartley and Michael Kaba. The candidates and spectators alike waited in anticipation for the big announcement — Lori Neubert 1983 Homecoming Queen.

Rich Dignan and Joe Dima, Class of 1983

For Love of Liberty

In recognition of the 100th birthday of the Statue of Liberty, the students and faculty of Vernon Township High School became involved in a school-wide project to raise funds for the restoration of the statue and focus attention on what has become a symbol of the United States.

The original Statue and its pedestal were paid for by the people of France and the United States. A lot of the money came from students. Thus it is only logical for students again to be involved in raising funds to restore "Lady Liberty." The Statue has suffered severe damage from storms, heat, caustic sea spray and its exploration by millions of visitors. It needs \$250 million in repairs.

Since this is a school-wide project, every department found some way to become involved. Mrs. Judith Haduch was coordinator and responsible for the organization of the project. The Guidance Department conducted an ethnic-origins survey of the student body and staff. The Home Economics Department gathered international recipes from the staff for a cookbook. Business had students type letters to civic groups and business organizations in Vernon, asking for contributions to the fund. English classes studied literature from the period when the statue was built. Foreign Language students researched the statue's history and origin. Math and Physics students planned computer programs to utilize the data of stress and forces on the statue's arm. Chemistry did experiments on copper to understand the corrosive effect on the statue's own copper sheeting. The History Department made a trip to the Statue and Ellis Island. Corrective Services Department counted the money and rolled the coins collected.

The National Honor Society provided security for the statue-bank and the Student Council organized a volleyball tournament. The total proceeds were in excess of \$1,500.

K. S. PAST

The New Colossus

Not like the brazen giant of Greek frame,
With imperious commands that stride from on a pediment—
Here at our sea-washed, sunset gates shall stand
A mighty woman with a torch, whose flame
Is the imprisoned lightning, and her name
Mother of Exiles. From her beacon hand
Goes world-wide welcome; her mild
Command

The air-bridged harbor that twin cities frame
"Keep, ancient lands, your storied pomp!" cries
she
With silent lips. "Give me your tired, your poor,
Your huddled masses yearning to breathe free,
The wretched refuse of your teeming shore.
Send these, the homeless, tempest-tost to me,
I lift my lamp beside the golden door!"

— Emma Lazarus

Relaxed Atmosphere for Musicians and Writers

For the past three years the VTHS Student Council has sponsored a Coffee House, an idea that originated in the 60's. As Mr. Gaylon Powell, Council advisor, put it "the coffee house is a showcase for student and faculty performers." For many people it is a chance to share their poetry through readings or, for musicians, a chance to perform some folk, pop, jazz, or blues. Basically what the coffee house is, is atmosphere — soft candlelight, small tables, refreshments, live entertainment and an appreciative audience.

Effort is hard work but also fun

Behind the scenes — setting up for plays, dances and assemblies — are the people that coordinate auditions, rehearsals, lights and sound. Special equipment needs to be set up for dances, decorating needs to be done, posters are printed and clean up crews assigned. An advisor has to fill out forms, count the money and arrange for chaperons who supervise the

crowds. After the lights are out and the doors are locked, details still remain to be done. Vouchers are submitted to Mrs. Joan McCarthy and Mr. Rudolph Parrella signs the checks.

Below: Mrs. McCarthy working on the backstage area. Right: Mr. Parrella signing the checks.

Yugoslavia Hosts Games

With the opening of the Olympics at Sarajevo it looked as if the Americans were in for a drought. The U.S. Hockey Team dashed all hopes by losing their first two games and finishing with a 3-3 tie against Norway. There were no medals won in speed skating but finally, the brother-sister dance skating team of Carruthers cracked the medal barrier by winning the silver. Scott Hamilton, heavily favored to win gold, captured first place in men's figure skating. Meanwhile, Rosalyn Sumners was a silver winner in women's figures.

The American's surprised everyone in Alpine events where five of their eight medals were earned. Debbie Armstrong and Christin Cooper won gold and silver in the women's giant slalom. Then a very confident Bill Johnson took the gold in the downhill. Finally, after a disappointing performance in the giant slalom, Phil and Steve Mahre won the gold and silver in the slalom. Steve's time was just 21 seconds off his brother's.

The U.S. received eight medals — four gold, four silver which put them in a fifth place tie with Sweden. The U.S. finished behind the Soviet Union with 25 medals and E. Germany with more gold than the

Soviets, Finland and Norway

U.S. responds with Troops

When Prime Minister, Eric Gairy, of Grenada was overthrown on March 13, 1979, Maurice Bishop became the new leader. Bishop began his reign with an unfriendly attitude towards the U.S. and became an ally of Fidel Castro. Fidel in return helped Bishop by building a larger airport to accommodate the heavy tourist traffic in

tions in the Organization of Eastern Caribbean States met in Barbados. They feared that the takeover in Grenada could easily lead to revolutions in their own nations. They voted unanimously to ask the U.S. to provide the muscle to do something about Grenada. The U.S. itself was concerned about one thousand Americans who were still on the island.

The decision was made and the assault began at 5:36 a.m. with four hundred marines attacking Pearl's airport. The rescue of the students took thirty hours, they were airlifted to Charleston, S.C. and re-

Grenada. Soon Bishop's links to the Kremlin became more open and he loosened the ties with the U.S. Bishop made an uninvited visit to Washington. After a forty minute discussion with National Security advisor William Clarke and Deputy Secretary of State Kenneth Don, he returned to Grenada. He proposed opening a dialogue with the U.S. and toned down his Anti-American campaign.

When Cuba heard this news the order came to push Bishop out. Coard placed Bishop under house arrest and in response several thousand supporters rushed the gates in a rescue attempt. At Market Square Bishop gave a speech and then took sanctuary in Grenadian Headquarters. Troops opened fire on the crowd killing a dozen people. Bishop was executed along with two top officials and two union leaders.

After the killings, leaders of the six na-

sponded to their liberation by kissing the tarmac when they landed on native so-

Peacekeeping Mission Ends

After the attack on the U.S. Embassy in Beirut, people were asking why the Marines were in Lebanon in the first place. "Bring them home!" was the shout being heard. Then death and destruction devastated the home morale. In an attack identical to the Embassy explosion, a truck loaded with dynamite drove into the military compound ramming the Marine barracks. The death of 241 Marines was the highest single day toll since the Tet offensive on January 13, 1968 when 246 service men were killed in Viet Nam.

The motives of the attack were clear "U.S. get out of Lebanon." But how it

1983 YEAR IN

happened was another question. How did the truck get through? Congress was concerned that the Marines had taken insufficient security measures. The truck had gone through a Lebanese Army checkpoint guarding the base. It circled twice to pick up speed in an unguarded civilian parking lot, rolled over barbed wire and sped between two guard posts. The two sentries on duty had unloaded M-16 rifles as per regulations. The truck continued through a gate, past another guard house and into the lobby where the cargo was detonated.

Why had the compound been so lightly guarded? According to Major Robert Jordan, a spokesman for the Marines, "It never occurred to anyone that someone would charge in here."

On February 26, 1984, the last of the Marines were pulled out of Lebanon to conclude a confusing peacekeeping tour for the military men.

Back to Normal As Strike Ends

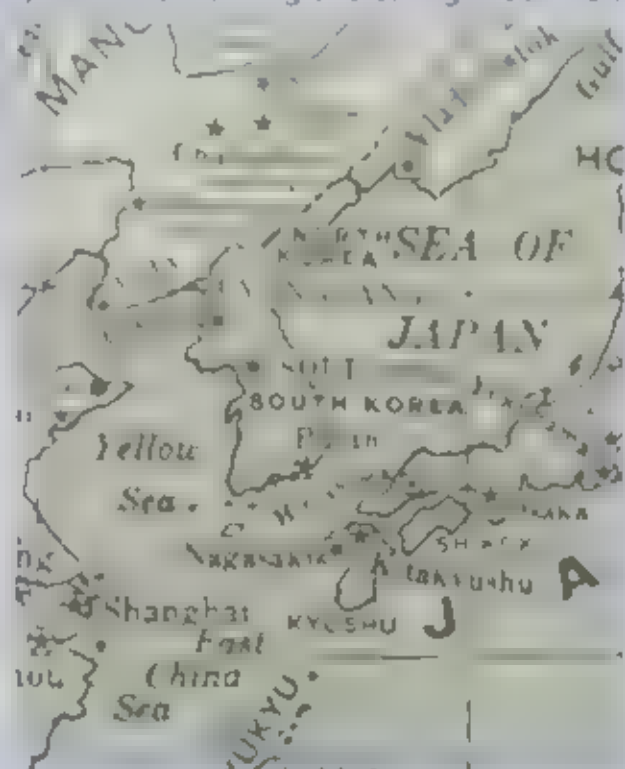

On January 17, 1983, local Shop Rites, Foodtowns, Grand Unions and Pathmarks were drastically affected by a meat cutters-deli workers strike. The strikers left their jobs in hopes of gaining more benefits and increases in pay. For twenty-five days and nights, the strikers were seen picketing in front of markets all over the NY-NJ area. The strike caused aggravation and inconvenience for both the consumer and the

merchant.

On February 11 at 4:00 a.m., the strike ended after intense negotiations. Things returned to normal rather quickly.

269 Lives Lost on Flight 007

Our nation was aghast when a Soviet pilot shot down Korean Flight 007 as it invaded U.S.S.R. airspace. The Russian pilot had been given orders to shoot the unarmed plane down after it had not responded to warning shots. Flight 007 had

wavered off course on its journey from Alaska to Seoul, South Korea. There were no survivors and 269 people were killed.

The Year of the Doll

What's all the commotion? It's sculptor Xavier Roberts' million dollar Cabbage Patch project — dough-faced, chinless, engagingly homely dolls that have become the Holy Grail of 1983 and 1984.

There really is no way of getting around the fact that the Cabbage Kids are ugly. But their ugliness has a touching runt-of-the-litter quality that adults and children both find irresistible. A vulnerability that arises in part from their expression is eternally poised between a gurgle and a sob.

Cabbage Patch dolls are not only individual in their appearance but are unusual in the way they are obtained. Cabbage Patch Kids are not merely purchased, they

are adopted. Each Kid comes with a birth certificate and a set of adoption papers bearing a unique name.

Whatever the reasoning, everyone is looking for these special presents. The stores have been mobbed, people have been mugged, lines have kept people waiting for hours. We have gone crazy with the urgency of adopting a Kid.

It's not only the Year of the Viking but also the year of the Cabbage Patch Doll.

REVIEW 1984

The school work ends. We shed our classroom masks and become our parents' favorite entertainers. To them, we are the greatest goalies, the most acrobatic receivers, the strongest slug-gers. To us, they are our most powerful patrons, our most dedicated fans

The student body goes into action as game time nears. "It's time to beat —" signs are put up in every room. Schedules are posted for selling food. Crowd controllers iron their armbands. The fields are lined and the floors are swept.

Black and white striped uniforms appear. The whistle blows. The crowd cheers.

Ups and Downs

An all-time record number of hopefuls turned out for the first Field Hockey practice on September 1st. With nine returning seniors and a well-stocked J.V., the team had a positive outlook for the 1988 season.

After the first six games, Vernon was the number one position in the S.C.I. Diane Shuppon and Robin Ehrich, the team's top scorers on the forward line, the offense and Patty Greene in the goal cage led the defense.

But the season wasn't over. It was to have its ups and downs and its share of surprises. At mid-season there was a three-way tie among Vernon, Newton and Jefferson. Then Vernon beat Jefferson creating a two-way tie. But by the season's end, Vernon's record of 10-7 led the squad without the hoped-for crown.

Vikes Fall Short

For the first time in the high school's history, the Vernon Viking Varsity Football Team defeated the Spartans of Sparta. The 7-0 win recorded on Saturday, September 19, 1983, was the start of a season which would include the best record and the highest finish in the SCIL of any football team to play for Vernon High.

The Vikings got off to a strong 3-0 start with victories over Wallkill Valley and Lenape Valley. The season in only its fourth week came down to one game — the game against the Pope John Lions. Pope John had a powerful team and it was known throughout the county that the winner would more than likely win the SCIL title. The Vikes were without All SCIL quarterback John Parak who had separated his shoulder the previous week. Despite a courageous effort by Craig Wacker who set a county passing record and a half time lead, the Vikes lost a heart breaker.

The next week resulted in one of the most disappointing losses in the school's history. Injuries, suspensions and poor play resulted in a defeat to the Newton Braves in a game which the Vikes should have never lost. This defeat narrowed the Vikings chances of making the state playoffs to almost nothing.

As one senior member of the football team said, "I think that I can speak for most of us in saying that as underclassmen, we never thought that we would miss practicing every day, the drills, the cuts and bruises, and most of all Mr. Hardin's conditioning. Now I realize that the fun we had in practice and that indescribable feeling of pride we had as we walked off the field after a great victory will be with us forever."

Outstanding Performance

For years the girls Cross Country Team has been battling for the respect that they so much deserved. Unfortunately they were overshadowed by the boys team. It was totally different this year, the girls went undefeated in six races to be crowned champions in the Sussex County Interscholastic League.

The team picked up a tie for first in the Passaic County Coaches Invitational and placed a very respectable third in the Ridgewood Invitational. Noel Knecht, sophomore, led the team while her sister, Ann Marie, was just one step behind her.

Continuing Tradition

For the second year in a row, the boys cross country team has combined outstanding talent, team work and dedication to secure another Sussex County Interscholastic League title.

Led by senior captain John Moran, the Vikes increased their winning streak to twenty-three by going undefeated (9-0) in the county league. This talented group of hamers captured the Passaic County Coaches Invitational title and also brought home the gold in the prestigious Ridgewood Invitational. It will be tough for another group to match or exceed what this team has accomplished this season. The key to their success, according to Coach Doug Castellana, is the constant competitiveness between runners. Each individual strives to meet and surpass his own personal best.

23 Consecutive Victories

"Tremendous" would summarize the season enjoyed by both of Vernon's Cross Country Teams. The Boys team was undefeated throughout the year winning the S.C.I.L. with an impressive 9-0 record. The girls were equally impressive in winning the S.C.I.L. with a 6-0 record. The boys team is now 23-0 over the last three seasons.

The boys won the county race and placed five runners in the top

twelve. They then won the North Section I Group 3 title. Then it was on to Holmdel Park for the all-state Group 3 race where we finished third. The last stop was the Meet of Champions where only two other teams from the S.C.I.L. have gone before. Vernon took a commendable tenth place in the entire state to conclude their finest season ever.

The girls team was also successful in state competition. They finished fourth in the sectional race and fourteenth in the all-group 3 race.

Cold End to Season

Controlling the play throughout the game, the Vernon Soccer Team played their best game of the season in the first state game to beat Northern Valley Regional 1-0. Junior Kirk Peat led the offensive attack and played one of his finest games of his high school career. Senior Kris Peat posted one more shutout.

In the second round of play Vernon met Wayne Valley on the coldest day of the season. Wayne Valley scored first and John Bosma came back to score on a ten yard shot. Vernon controlled the game throughout both overtimes but the game went to a shootout. As luck would have it, Vernon came away one short. The final score was 4-3.

Becker Sets Rushing Record

Week after week Vernon's Ed Becker ran in spectacular fashion for the Vernon Viking Football Team. He gained over one thousand yards in just seven games in the 1983 season. Ed's season was shortened due to a knee injury but he still is the first and only player in Vernon to rush in sixty to gain over one thousand yards rushing. He averaged one hundred forty-four yards per game which is also a school record.

Vernon Girls Stopped in States

With an optimistic attitude the Vernon Fighting Hawks Team went into the state playoffs. Their first game was scheduled against Old Tappan and they would play them at home. The game began and before it was half over the Old Tappan Team was leading 2-0. The Vernon girls did not give up in the second half they scored within eight minutes of the start on an unassisted goal by Kris Ascencio. They continued to play their best but the final score remained 2-1.

All the way to Princeton

Joe Stoll was wrestling his opponent for the Regional gold. If he won this match he would be the first wrestler since Jan Michaels to compete in the State preliminaries. He left no doubt in anyone's mind that he belonged at Princeton after winning by pin at 39 seconds. Eric Grath had an opportunity in the 141 lb. class but was turned away.

At the State level, Joe pinned his opening opponent from Bergenfield in 48 seconds. He then advanced to the quarter-finals where he met the next State Heavyweight champion from Toms River.

Joe was named as the first team all-area heavyweight. Eric Grath made honorable mention all-area.

Vernon well represented by skiers

For the second consecutive year, the Girls' Varsity Ski Team finished first overall in the State Championships held at Great Gorge on March 1 and 2. Linda Sturde took first position and Rose Scarola followed with a third. In the boys' State Championships, Vito Scarola took second. Those honored by being named to the All State teams were Linda on the first squad and Rose, Tom Tal, and Vito on the second team.

This year's Eastern High School Championships were held at Hunter Mountain on March 10 and 11. There were eight states included — Maine, New Hampshire, Vermont, Massachusetts, Connecticut, Wisconsin, New York and New Jersey — New Jersey finished second overall. Representing Vernon was Linda Sturde who placed eighteenth and Tom Tal twelfth.

In SCIL action the Girls completed an undefeated season and the Boys Team tied for first with Wayne Hills.

Second Title

Completing the regular season in second place behind Sparta, Vernon entered the Coach's Tournament intent on winning. Held on the Spartan's court, Vernon faced Newton first on February 22 and won. The Vikes advanced to challenge the Sparta Spartans for the title. A physical game, the contest was won by Vernon by a score of 44 to 38. Kris Peal was high scorer with 15 points. Tim Kneb followed with 11 and John Park contributed 9. The win made it the second Coach's Tournament title in as many years.

In the first round of the State Playoffs, Vernon faced a good Indian Hills team. They were a bigger squad but the Vikes went in confident. The outcome was not in their favor as they settled for a 54 to 51 loss. The Vernon Vikings did finish the year as the number one defensive team in West Jersey by allowing only 46 points per game on the average.

Enthusiastic Team takes to the courts

A younger and therefore more inexperienced team took to the courts and compiled a 4-10 record for the '83 season. According to Coach Pat Hardin the girls were hard working and enthusiastic making the season "worthwhile and very enjoyable."

Lori Kaplan, the team's only sophomore, played at the first singles spot and was chosen as an all-league candidate

Vikings Start the Season Right

Led by captain, Mike Wright, the bowling team went against Hopatcong on December 19, 1983, to record a win on the season's opening day. The afternoon ended three games to one for the varsity and four to zero for the junior varsity. Mike also retained the high game record of 246 and high series of 639. The varsity squad finished out the year with a record of 2 and 12 for a seventh place in the league and the junior varsity was 7-5-2 for sixth place.

No Competition . . .

was found on the slopes this year when the Vernon Girls' Ski Team started their season. They recorded unbelievable times beating other teams by up to 150 seconds. The Vernon Girls were undefeated, 12-0, when a sudden thaw in the middle of February ended the season early. The team was unable to finish all scheduled races. Linda Sturde exhibited top form and speed once again, she holds the personal best record in the league.

Vito Scarola

Giant Slalom Dominated by Vernon

The Vernon boy's team opened the season by placing third in the Sparta Invitational which consisted of ten competing teams. Tom Tal and John Rospond placed first and sixth respectively. Inclement weather cancelled the next two races. When the season resumed the team chalked up a third and a first place. Then the team members put all their talents together and dominated the Giant Slalom Invitational with Tom Tal taking first and Vito Scarola taking second place. In the last regular season race Vito and Tom placed first and second. John Dippold placed fifth and Mark Morsoff and Harvey Bierman took sixth and seventh. Rounding out the top ten was Matt Obaytek with a ninth place finish.

Vito Scarola, Eric Zickgraf, Robert LaBar, Bob Desaye, Mark Morsoff, John Rospond, John Campbell, John Kojacz, Howie Saieck, Tom Tal, Bill Batchelor, Gary Kaplan, Matt Obaytek, Harvey Bierman, William Benwell

The Anatomy of a Pin

Tripling their winnings over last year, the '83-'84 Vernon wrestlers posted a 3-11 record and had some outstanding individual performances. Joe Stoll at heavyweight led the team with a 21-2 record, out of his 21 victories, 13 were by pins. Eric Grath also had an impressive year with a 13-4 record. The Vikes, only graduating three, are looking to improve on their 3-12 with a solid nucleus of experienced wrestlers returning. Included in that nucleus are juniors Rich Rosser and Mike Reyda who had respectable seasons with a combined total of 26 wins.

LEFT Joe Stoll, as he did so many times this season, took total control of his opponent — pinning him in a matter of seconds. The series of photographs illustrates the anatomy of a pin.

FRONT ROW Mike Reyda, Pete Reyda, Pete Paulas, David Garham, Kevin Lockwood, Rich Rosser. BACK ROW Coach William Cooper, Joe Stoll, Jim Fay, Scott McKee, Scott Jurkovich, Eric Grath.

Left Captain Amy Clarke scores 2 of her 6 points against Newton on December 20. Below Coaches Hordin and Lepse working a play in the last seconds of the Vernon VS Newton game, a close game with a score of 49-51.

Let's Go!!!

On the court and ready to play every Tuesday and Friday at 3:45 p.m. is the girls basketball team with three returning seniors — Laurie Manzione, Amy Clarke and Robin Ehrich. An addition to the sideline this year is the new JV coach, Carol Lepse, Vernon alumna, class of '79.

The highlight of the '83-'84 season was the Christmas tournament in Port Jervis, N.Y. On December 27th the Vikings rallied past the Port Jervis Red Devils, beating them by a score of 42-32. This victory led to the championship game against Minisink Valley. In a highly skilled and evenly matched game, the Vikings prevailed 35-32. With this win, the Vikings were named tournament champs. Junior Gail Werner was named most valuable player in the tournament and Junior Kelly Higgins received an all-tournament award.

Above: Lisa Parak, starting freshman, has great potential in Harmon Gris Basketball. Below: Gail Werner, the team's high scorer with 299 points this season.

Varsity Team Front Row: Doreen Bernard, Cheri McLeod, Gail Werner, Diane Decker. Middle Row: Cara Ragnetti, Lisa Parak, Tracey Hornby. Back Row: Coach Lepse, Robin Ehrich, Kelly Higgins, Laurie Manzione, Amy Clarke, Coach Hardin.

JV Team Front Row: Carol Ragnetti, Michelle VanAtta, Patty Dzikowicz, Lisa Ehrich. Back Row: Kris Hyland, Cheri McLeod, Laura Mele, Tracy Hornby, Carol Ignatieff.

Vikes Take SCIL Coaches Tournament

Coach Paul Palek — new to Vernon — was welcomed with a second place finish in the SCIL and the championship of the SCIL Coaches Tournament. The Vikes ended the 1984 regular season with an exciting come from behind win over the Jefferson Falcons. This win was only good enough for a second place finishing in the SCIL but did give the Vikes a bye in the first round of the tournament. The Vikes went on to defeat Newton and then the Sparta Spartans to bring home the championship trophy.

The 1983-84 Vikings were inconsistent all year but brought a seven game winning streak into the state playoffs. Strong performances were exhibited by the Vikes six seniors; Kris Peat and Dan Sweetser were named to the All-SCIL team.

VARSITY TEAM

FRONT ROW Coach Mike Casserly, Danny Fitzpatrick, Dave Kilby, Mark Aug, Len Rinardi, John Parak, Coach Paul Palek. BACK ROW Mark Unglaub, Chuck Kilby, Tim Knebl, Kirk Peat, Dan Sweetser. Not Pictured: Kris Peat.

Lonny Sweetser, senior forward, connects on the short jumper against the big front line defense.

Active defense with Tony Smith blocking Lonny Sweetser's shot.

Ain't Nothin' Gonna Break Our Stride . . .

Except the weather, maybe? On March 28th and 29th a near blizzard hit Vernon, leaving 14 inches of snow on the ground needless to say the track meet scheduled for March 30th was canceled. Therefore the season does not open until April 10th in the meet against Sparta.

This year the teams consisted of 53 girls (22 freshmen) and 62 boys (29 freshmen), it is easily seen that Vernon's track team is up and coming in the next few years. That's not to say that Vernon is lacking in 1984! Tracy Hibbits, Sue Parak, F.B. Harper and Rusty Harman should do well in the sprints this year while Ann Marie and Noel Knecht, Laura Gerry, Matt Wiedbrauk and John Moran will handle the distance races. In the field events, Dave Weismantel, Tim Knebl, Sara Peel and Kris Zydel will high jump. Robin Ehrich, Cristy Schotter, Lisa Parak, Dan Murray, Scott Beier and George Edwards will lead in the weight events.

Try a Very Soft Softball

"Not exactly on schedule" became an athletic director's nightmare as heavy snows and heavy rains delayed the opening of the 1984 softball season. If it had been a matter of snowballs instead of softballs, the Viking girls would have been in first place. Practice continued inside the school and outside whenever possible. Thanks to the purchase of a new pitching machine, the girls are batting

better than ever.

Coach Bruner and Coach Trenz reported that the girls on both varsity and junior varsity enjoy their sport and work together as a single unit. Add enthusiasm to this unity and the squads were ready to face the challenges of difficult opponents like Lenape and Jefferson. The Lady Vikings just wanted to hear "Play ball."

Overcoming Obstacles

Despite the loss of five starters from last year's squad to graduation and limited practice time due to inclement weather conditions, Coach John Mayer was still optimistic that the 1984 Viking baseball team would be competitive in the SCIL this season. The Vikes will be relying heavily on seniors John Parak, Doug Czap, Mike Alvarez, Mark Unglaub and Wayne Vitkosky. For consistently strong performances on the diamond, Parak — a two time All-county selection — should be one of the leaders in the league, he and Czap will do the majority of the pitching which Coach Mayer hopes will keep the Vikes in contention for the first half of the season. Mayer is counting on the bats to do the job in the stretch

Varsity Baseball Front Row: Dean Schwartz, Mike Alvarez, Glenn Whaley, Bill Labance, Doug Czap, Mike Mihalko and Ken Mitchell. Back Row: John Bounomo, Craig Wacker, Wayne Vitkosky, Mark Unglaub, John Parak, Tom Burns and Mr. Mayer

Low snow kept Mark's head in the rest of the video.

Team Goal is 500 Season

An average in the low forty's has earned sophomore Floyd Romyns the number one position on a young Viking golf team. Floyd will be backed up by Rich Kerr and Gene Freiling, also sophomores, who hold averages in the low fifty's.

Coach Benwell conducted practices in a science lab using a net to catch balls. When the greens finally re-appear from under the snow, matches will be played on the nine-hole course at Farmstead Country Club in Andover.

FRONT ROW: Bob LaBar, Don Fitzpatrick, Ron Stesney, Rich Kerr. BACK ROW: Gene Freiling, Bill Batchelor, Rich Messina, Floyd Romyns, Coach William Benwell. NOT PICTURED: Chris Ruffo, Jim Maloweinka, Tim Nolan.

Predominantly Senior Team has Depth

With six returning players, the 1984 spring tennis season was scheduled to open with its first match against a tough Newton team. Senior Ron Kibitlewski led the Vikings at first singles. For the second consecutive season, the predominantly senior team played its home matches at the Americana Resort.

RIGHT Jeff Thomas uses a twelve gauge shot gun for deer hunting. He also hunts for small game like ducks, pheasants, rabbits and quail. He looks forward to future bear hunting in New Jersey which will probably be legalized in 1984. BOTTOM Mike Thomas is fortunate to have his own private pond for fishing. He uses an ultra light spinning rod made by Garcia Co. Mike fishes for large mouth bass in this pond. The average size is twenty one inches and from three to four pounds.

LEFT John A. Jergon used a 54 caliber muzzle loader in winter, early spring season and during the peak of the season. The muzzle loader is a type of gun used in Newlon. The course was sponsored by the Division of Fish and Game, New Jersey, as well as the Newlon Gun Club.

RIGHT Muzzle loading originated in the 9th century. The gun is a reproduction of a Black Powder Gun from the 1820's. The process of loading this type of gun starts with hand packing the powder into the barrel and then slipping a greased bullet into place. The powder and bullet must be rammed down with a ramrod and finally the percussion cap is applied to the nipple.

Above: Colleen Fitzpatrick schooled Mocha Mike, a quarter horse, before the pleasure class competition at the Sussex County Farm and Horse Show. The pair received a fourth place out of eighteen that night.

Individual Sportspersons

The 213 bell rings. Some students head to the locker room to change for a practice session with their coaches. Other students head for home and their own individual training routines. Although they are not "organized sportspeople" they nevertheless require intense effort and hours of practice to develop skills.

Riding horses for pleasure, for work, and for competition is part of life in rural Sussex County. The serious rider will put in anywhere from twenty-five to fifty hours per week working with his/her horse.

Riding motor bikes in their many varieties is another favorite among Vernon teens. Special trails are set up for motorcross racing but students practice endlessly in the local countryside.

Above: David Delmo just completed a long ride on his Yamaha YZ125 motorcycle. Left: Bruno Ferretti showed some fancy driving on his Honda ATC 250, a three-wheeled motor cross bike.

Getting Ready

Remember those special occasions when you want to look your best. The day you have your senior portrait taken is one of them. You hope it doesn't rain and that your appointment isn't right after gym. You don't want your face to break out or your eye to be blackened. Seconds before the moment of truth, you comb those hairs into place and adjust your tux or drape. Say "cheese."

Oh, well! No one ever likes their own pictures anyway.

Below: George Edwards, senior member of the football team, is getting help with his tie. Coach Richard Wetze wants his players to know they are something special and will stand out in the crowd.

Taking on the Challenge

office Beth Jones, President of Student Council, and Hugh Hogan, President of the Class of 1984 accepted these responsibilities and the endless demands on their time.

Both Beth and Hugh were involved in organizing the senior trip to Virginia and getting it approved by the administration. Preparations for the senior prom occupied a portion of their time. But on a broader scale they portray the storybook senior. They are defenders of student rights, supervisors of issue votes, initiators of student appeals, and advisors to freshmen.

Beth and Hugh are also good students and members of the National Honor Society. Both are active in sports — Hugh in football, tennis and track, Beth in cross-country and track.

Brass in the Class of '84

The first semester I was in the band, I was really nervous. I was a little shy, but I was really into music. I was a little shy, but I was really into music. I was a little shy, but I was really into music.

So, I was a little shy, but I was really into music. I was a little shy, but I was really into music. I was a little shy, but I was really into music.

Although I was a little shy, but I was really into music. I was a little shy, but I was really into music. I was a little shy, but I was really into music.

Sweet Dreams

When I was in the eighth grade, I remember the night
Eric told me that "Maggie" didn't seem to know
what she was doing but hadn't dreamed of it in
the classroom at this year.

When I asked how many teachers was it, he said
"many" and that Eric said "many" and that
Maggie said she has never been suspended for
anything and that she was in the classroom.

Mr. Voss and Mr. Haversen are Mr. Voss, I guess
they get the torment while the teachers bring it all
to pass, and I guess Mr. Butler, Mr. [unclear] and
Mr. [unclear] have to terrorize the United States
and for President Eric stay in a position
to be innocent. I was treated.

Spirit Savers

Give us a "V" ... and leading the cheer are Beth Jones and Hugh Hogan. Do they have spirit? Ha! You've got to be kidding. All they do is scream and yell. However, it does break up the monotony of the everyday film version of school.

A rare sight it is indeed to see Hugh or Beth sad, depressed, or upset. They're always trying to make others happy and were voted the two seniors with the most school spirit. You've heard of matchmakers, well, we're proud to introduce Vernon's spirit savers. Keep up everyone's spirit, guys. We love ya!

Lisa Van Blarcom

The Future Is Now!!

On October 27, 1983 Vernon Township High School hosted College and Career Night. Representatives were present from the Armed Services and 137 colleges, some as far as Northland College in Wisconsin and others as near as Upsala College Wirths Campus, Sussex, New Jersey.

The various schools were situated in alphabetical order in the cafeteria and throughout the gym. This was the night students and their parents from 18 high schools in Morris and Sussex Counties, New Jersey and Orange County, New York came to ask questions, gather information, and discuss their interests in a specific college or the Armed Services.

Some seniors take advantage of areas of interest by applying what they've learned to possible career choices.

Katie Woortman enlisted in the Navy after being made aware of all the educational and financial opportunities available in the Armed Services.

Lillian Szipocs is participating in the DECA program in order to develop her secretarial skills. Her place of employment is easily accessible since she works in the guidance office in the high school.

Lisa Van Blarcom decided to apply the skills initiated in photography class to extensive work as a yearbook photographer. Photography will be her major in college.

Eric Van Atta

by Marie Knecht

Senior poll categories were revamped this year in an effort to update award titles to more current trends. Among those that have been reclassified are: the Cristie Brinkley Award and Tom Selleck Award instead of best looking, Vidal Sasson Award for hair and Class Osmonds for teeth and smile instead of nicest smile. One totally new category was the Mr. & Mrs. Weekend Award for the seniors who go and party the most. Hugh Hogan, Barbara Grossel and a few others helped to organize the polls and on October 7 the senior class voted during homeroom. By October 14, all the votes were counted and the winners announced.

There was an interesting twist to the outcome of "class pals" winners for the guys; twelve in all won. When interviewed, Hugh said that they all have been friends since fifth grade (more or less). When they are together they enjoy parties, laughing and joking, making fun of each other and playing sports. They really enjoy each others company and will probably remain friends long after high school graduation.

Class Pals — Kelly Ryan and Mary Ayn Melding.

Tom Selleck — John Stoltenborg and Cristie Brinkley — Laurie Manzione

Most Talkative Seniors — Timmy Davis and Steve ...

Above left is **Class Mutt and Jeff**, Linda Sturde and Tim Knabe. Above right is **Class Jeff and Mutt**, Kris Tintle and Dave Acosta.

Class Flirts are Mr. and Ms. Flirtation, Lori Mahon and Rich Messina.

Nicest eyes won the **Bright-Eyes Award** for Joe Stoll and Gina Malko.

The **Class Osmonds** for teeth and smile are Amy Clarke and Mark Sparta.

The **Vidal Sasson Award** for nicest hair are Kris Pea and Kelly Lech.

CLASS BY WEEKS. They are Dan and Cheryl. They were the best weekenders with the Mr. and Ms. Weekend Award.

Most congenial couple. They are Matt and Mary Ann. They won the Most Congenial Award.

Most fashionable couple. They are Matt and Mary Ann. They won the Mr. and Ms. Fashion Award.

Student Advisors

The Student Advisors are a group of responsible seniors who are here to assist the incoming freshmen. Initially, their goals and objectives were to make the incoming freshmen feel welcome and a part of our school. The group tried to provide students a start to a happy and successful high school experience.

Some objectives were to help students get off on the right foot, to make a smooth transit on from middle school to high school, and to get students involved in sports and extra-curricular activities. The advisors have met several times this year and have tried to help the students with their studies and course selections.

(Top left) Patty Wassmer meeting with her advisor group. (Middle right) Senior Advisors: Brian Westerholt, Peter Moshinski, Frank Paul, Carol Ann Carroll, Amy Weismantel, Jason Boltz, Mark Sparta, Hugh Hogan and Dan Cleary. Front row: Gina Mihalk, Beth Jones, Lori Hordinski, Mary Dykhouse, Linnée Potter, Julie Gisleman, Laurie Marshall, Tracy Laird, Robin Ehrlich, Gary Koplan and Laurer Wenegrat. Not pictured: Patty Wassmer and Stephanie Pristas.

Before and After . . .

After many hours of hard work, Stephanie Pritt has finished the senior class mural. Everyone had a chance to submit an entry. The class officers selected one and notified Stephanie that she had the job. She started working on her original design at the beginning of November and proceeded to complete it during the month of December.

The mural represents the class of 1984, symbolizing the fact that it is composed of many different types of people, but still functions as a close knit group.

(Top left) Stephanie Pritt is working on the senior mural to get it to its final state.

Concession Stand

Along the side of the football field, there is a new addition to the scenery. It's a concession stand that was built over the summer of 1983. The Viking Club, Board of Education and the classes of 1980, 1981, 1982, and 1983, all contributed to the financing of the stand. The teachers and students of Vernon Township High School, along with the members of the community and Viking Club donated their free time and helped to build the new stand. It was run by the seniors of 1984, and they managed to stay on top of every thing and to run it smoothly. It was also open for the home soccer games as well as the home football games.

The primary function of a school is to provide its young people with the opportunity to learn. If the students are the starring players then their scripts include everything from German IV and Calculus to Music Theory and First Aid. Technical assistance and advice comes from the faculty and staff.

The rewards will come from the joy of learning and the thrill of understanding. Some rewards will be in the form of grades, memberships in honor societies, scholarships, and places in the job market. The skills to survive in today's world can be learned at Vernon Township High School and where "academic excellence is first."

Best Wishes

Congratulations to the Class of 1984. This graduating class has done a great deal to give our school a sense of stability, pride, and maturity. Through your accomplishments, Vernon Township High School has gained recognition at the county and state level — for this we will always be grateful. Hopefully we have provided you with the knowledge, preparation, and determination to develop and use your talents in the adult society that you are about to enter. I feel confident that our staff has done this.

Sincere best wishes for a happy and prosperous life. May you always have the best of life's gifts.

— Rudolph J. Parrella

Office Staff

- record keeping
- shorthand
- typing
- answering the phone
- getting supplies
- paging staff
- making announcements
- bookkeeping
- making copies
- calling homes
- counting money
- are just some of the functions of our office staff but most of all they are helpful.

From Caves to Courtrooms

Exciting methods have been developed to make English an interesting subject. It is no longer just reading, writing and spelling, but now it is an adventure that takes you from underground caves to lofty courtrooms.

Mr. Crisman's class was tested in a unique manner. Students acted out scenes from **Siddhartha** and asked questions; the answers were graded as a test. Mrs. Greene had her senior class act out plays as a test. During the proceedings another class served as jury and handed down the final verdict. Mr. McKay's groups put together scenes from the **Hobbit** complete with costumes and scenery. The students involved believe they developed a better understanding for the work through their production.

A field trip to the Cloisters was arranged for some English by Mrs. Kaicher. The atmosphere, art, artifacts, and architecture of the medieval period were captured and appreciated by the students who were working with literature of that time.

 trigonometry to meet his mathematics graduation requirement.

Syntax Error

Have you ever wondered how many times that error message has flashed at you from the computer screen? Our math teachers have faced it many times when helping a student correct a program.

This year the computer math classes are the popular courses offered in the math curriculum. There are three levels of computer math classes in which three computer languages are taught, BASIC, FORTRAN and PASCAL. Most students' computer work is done on the TRS 80 model III or on the decwriters. The school also has one IBM computer with an additional 6 on order.

Thanks to Mr. Franklin, who remains after school every day, students have the opportunity to use the computers to finish class assignments.

The math department also gives the New Jersey Math League test, once a year, and 6 Math League tests, given at intervals throughout the year, to test the mathematical genius of Vernon High. The 90 participants are most interested in comparing their abilities to other math students around the state. Vernon has not had any outstanding mathematical genius yet — but the students are still competing and hoping!

Hands-On

— Typewriters, Sewing Machines and Dough

Students that elect to take Home Economics and Business Education courses have decided to get involved with studies that are a part of everyday life. Eventually culinary and domestic skills, as well as child care, will concern most all of us. Whether significant as part of a future job or personal need, typing and accounting will prove beneficial. In the classroom students learn to relate to others while working in small group situations.

HOME ECONOMICS DEPARTMENT

Mrs. Valerie Majestic — B.A. — Montclair State College, M.A. — Jersey City State College, Child in the Family, Child Care Lab, Department Chairperson. **Mrs. Arlene Martin** — B.A. — Mansfield State College, Introduction to Home Economics, Basic Foods, International Foods, Gourmet Foods, Craft Club Advisor. **Miss Mary Jean Ryerson** — B.A. — Montclair State College, Basic Foods, International Foods, Gourmet Foods, Basic & Advanced Clothing Construction, Crafts Club Advisor.

BUSINESS EDUCATION DEPARTMENT

Mrs. Linda J. Haring-Robinson — B.S. — Rider College, M.A. — Montclair State College, General Office Training, Typing II, Personal Typing, Department Chairperson. **Mrs. Susan Matthews** — B.S. — Pennsylvania State University, Accounting, Typing, School Store Advisor. **Mrs. Janis McGovern** — B.S. — Rider College, Typing I, Shorthand I & II, Senior Office Procedures.

 MAKES A SEATING AREA.

Focus on Participation

Two new courses were developed by the History Department for this year — American Case Studies and Comparative Governments. Both of these classes focus on student participation, the students assume roles of critical people in political crisis. The students explored such areas as World War II, Vietnam and segregation. They relived these events and tried to change the outcome of the events. These new courses seem to have created a positive attitude among the faculty members and the students, possibly because the format deviates from the "classroom norm."

Mr. J. Barta and Mrs. P. Clancy

Strong Concern for Safety

According to Mr. Stanley Sadlon the Industrial Education Department has tentative plans to expand its curriculum to include electronics. Presently the practical courses include a wide range of offerings from drafting to auto mechanics.

All of the teachers in the department share a strong concern for safety procedures which are especially applicable to "hands on" courses where power tools and machinery are used. Assignment adjustments were a result of the mid-year resignation of Mr. Ron Jones. Although various substitutes and other IA teachers were used, the program continued to operate.

Fundamentals to Fun

Learning the fundamentals of music theory, understanding music history and appreciating musical techniques are course preparation for performing. Both Mr. Zweier and Mr. Jones direct their students in daily rehearsals so that their presentations in public may be of the highest caliber.

Normally the Chorale travels to Trenton to be judged but this year the competition was the day after the senior prom so the Chorale participated in the Teen Arts program instead. Both vocal groups and the Brass Ensemble visited New York City where they performed at the Pan Am Building, Rockefeller Center and St. Patrick's Cathedral. According to Andy McGovern, a music student, the day was "well spent" — a learning experience as well as fun.

Parents, alumni and Mr. R. Zweier at the Pan Am building in New York City.

Mr. David S. Jones: B.S. — Wicks College, M.A. — Montclair State College, Concert Band, Marching Band, Music Theory I, Instrumental Music. **Mr. Richard Zweier:** B.S. — Lebanon Valley College, M.A. — Manhattan School of Music, Music Theory, Concert Choir, Chorale, Girls Choir, Department Chairperson.

From Beach Ball to Strategy Ball

The strategic side of volleyball is the emphasis of the gym teachers at VTHS. The phys ed staff is trying to diminish beach volleyball which is getting the ball over the net any way you can. Volleyball can become so complicated that it is difficult to follow all the rules and still get the ball over the net.

Volleyball is played by two nine-member teams arranged in three rows of three. Only an eight-foot high net separates the two teams. Now for the rules. You are not allowed to hit the ball with your fist, a team gets only three hits to move the ball over the net, one team member cannot hit the ball twice in succession, you may not go under the net or even touch it. If you have memorized the rules, it's time for the fun!

Involvement is the chief goal for students that are part of the corrective services program. According to chairperson Mr. Robert Piereth, students need to have fun, get to know one another and to know their teachers, and relate to one another in different ways. To partially fulfill this goal, an evening of volleyball was scheduled for December 1 in Vernon's gym and refreshments were served.

During the Christmas season, Ms. Jean Bailly and Mr. Peter Bidoglio arranged for Vernon students to visit students with severe physical disabilities at the Multiple Orthopedically Handicapped Unit of Newton Memorial Hospital. The students baked cookies and made small gifts that they shared with the patients in the true spirit of giving.

In an effort to have Vernon students experience the real world of work, Mr. Jack McCall set up a work-study program. On October 20, nine students went to the Hayloft restaurant where they were put to work in the kitchen, dining room and on the grounds. They were treated as though it were a real job and a real work situation. Several weeks later, they went to Artistic Identification Systems, Inc., where they were involved with a variety of job activities. Realistic goals for students were developed from the work experience.

TOP Vivian Clausell helps deliver Christmas cheer at Newton Memorial Hospital. LEFT When not at work, Mr. Piereth gives 100% to his students at the department Fun Night. ABOVE Teddy Wilson is working under the supervision of Mr. J. McCall, his supplemental instructor.

Pritchard:** B.A., M.A. — Montclair State College, Earth Science, Advanced Marine Science, Advanced Biology.

Range of Topics Increases in Science

Alternate year programs provide advanced science students with a wider range of topics to study within the core curriculum. This academic year features Marine Biology and Embryology both taught by Mrs. F. Pritchard. Marine Biology involves learning about ocean life and ocean resources. One field trip taken by this class on October 20 was to the New York Aquarium. The same group also had the privilege of hearing guest speaker Doug Gusalberti, master diver and scubaman, lecture on his world travels. He demonstrated technical equipment used in diving. Embryology students have been working with young organisms in the early stages of development such as eggs before they are hatched.

These special programs are in addition to the basic courses offered to all students in preparation for college, for understanding the world we live in, and for learning scientific methods. Earth Science, Biology, Chemistry, and Physics represent the core program.

Sampling Native Foods

Not only do you get an opportunity to learn to say "yes please" and "no thank you" in a foreign language but you also learn about the customs and culture of another country. In German classes there is an Octoberfest, in Spanish classes a holiday celebration with pinatas, and in French gourmet delights. Ancient Roman festivities usually coincide with the ides of March.

A few times each year students are allowed to sample native foods. Volunteers take recipes home and try them. The results are brought to class for everyone to taste. There is great anticipation for these gourmet days. What better way to experience the culture and customs of a foreign land without a plane ticket.

Today prepares for Tomorrow

A dual role in regard to the students at Vernon Township High School is played by the Guidance Department. The counsellors are concerned with every student in the school as far as scheduling and course selections go. They see that grades are programmed into the computer and that standardized testing results are recorded. Each counsellor works on an individual basis with the students in an effort to steer each one towards his goals based on interest and ability. Presenting the many choices available after graduation is what guidance is really about.

Visiting Sculptor

Sculptor Mike DeNike, is a native of Saskatchewan, Canada and a resident of Wayne, N.J. In December, he spoke to Vernon Art Major students about how he makes his living in the art world.

Mr. DeNike showed examples of his work, explained the creative process and discussed the aesthetics of his art forms.

DeNike's works are in bass wood and black walnut. They range from small briarwood pipes to lifesize human figures. One current project is an eagle with an eight-foot wing span that was commissioned by the Mayor of Paterson.

Honored Substitute

At Upsala College in East Orange, Mrs. Turi Rotun majored in sociology. Although she occasionally substitutes for English and history classes, she spends most of her time at Vernon High in the Art and Industrial Education Departments. In her four years as a substitute she has rarely turned down a call. In this respect many teachers and students know her as a regular member of the staff.

Mrs. Rotun is married and has two sons, ages sixteen and eleven, both attend Vernon schools. She says she prefers to sub at the high school rather than the middle school level because she enjoys talking with and listening to the opinions of the older student. Mrs. Rotun likes to learn the attitudes of high school students and their thoughts about today's world. She likes to hear about their plans for after graduation. Sometimes she finds herself involved in their discussions and will share some of her own experiences.

A special concert was arranged for the senior citizens and bus drivers for the purpose of letting them know that they are appreciated.

Workshops to Write

Tuesday afternoons in room 101 a writing workshop is held for the Back Porch Review. Students and teachers work on poetry, fiction, essay and reviews and may submit their writings as well as artwork they wish to share.

On November 16 and 30, part of the editorial staff traveled to Rutgers for a play writing workshop. They have also gone to the Columbia University Press Association for fall conference where they attended sessions on layout and organization. Both advisors stress the importance of striving to improve work. "Each year you want to make the book a little bit better," said Mrs. Spector.

10¢ a copy

"Get the latest edition of the Viking Voice" Vernon Township High School's own newspaper Mrs. Nora Szalavitz, in charge for the second year, and April Dawn Macherone, a new editor, are putting in a superhuman effort. The newspaper staff meets twice a week during homeroom to discuss what is going to be featured in the coming issues.

A word processor is now used to produce their copy. The newspaper staff is taking the time to train students so they will be able to use the processor correctly. The staff has also taken some steps to get professional layout equipment in the hopes of producing a better looking newspaper.

FRONT ROW April Macherone, Rodhika Chopra, Carol Ann Boyko, Karen Pusztay, Kathy Angus. MIDDLE ROW Ms. Donna Spector, Betsy Alnor, Lauren Wenegrat, Maryalice Hahn, Kim Potter, Mrs. Nora Szalavitz. BACK ROW Ben Bartley, Cindy Schotter, Michelle Diana, Barbara Grosz, Cheryl Organik, Rusty Ho man.

Guys and Dolls

Guys and dolls is a musical comedy with slap stick comic book characters such as Nice y Nicely Johnson, Rusty Charlie, Nathan Detroit and Harry the Horse. The setting is in Times Square, during the 1930's. The personnel consist of crop shooters, cops, chorus girls and Salvation Army sentinels. These people are either desperate or depressed and are completely in their own worlds. "Everybody is looking for action. I wish Nathan finds a pleasure

The play was performed on March 30-31 and April 6-7. The tickets were \$4.00 for adults and \$3.50 for students and senior citizens.

Calendar Countdown

During the month of December the German Club sold Advent calendars. Under each day on the calendar there was a different chocolate surprise to help count the days till Christmas. The sale went over very well. The club plans to use the money for a field trip, possibly to a German restaurant.

Advisor Mrs. Rita Bell encourages her students to join the club to enrich their knowledge of the German culture. The club also gives its members a fuller understanding of the language through exposure to German customs.

Excellence in the Arts

On March 1, 1984, Vernon Township High School had the second induction ceremony of its National Art Honor Society. Three seniors and one junior were honored by induction to join the five charter members. The induction opened the celebration of National Youth Art Month.

The honored students have achieved a level of excellence in the visual arts that is demonstrated by their effort, attitude, and sense of dedication. The goal of the organization is to impart self-confidence to each member through improving their skills and competence of expression. Part of the responsibilities of being a member of the National Art Honor Society is demonstrating their commitment to the arts by coordinating Youth Art Month celebrations.

Mrs. Judith A. Hornstra, sponsor of the VTHS chapter, expressed her belief that each of these artists is unique and has something unique to contribute to the world. She wished each a fulfilling and rewarding experience in the arts.

Marigolds Attack V.T.H.S.

There's always hope to be found," said George Schmidt who played the lone person in **The Effect of Gamma Rays on Man in the Moon Marigolds** written by Paul Zindel. The play reminds us that we can break away from a trapped environment and become a new person. The play was performed with two casts one for each performance. (December 2 and 3, 1983)

Strive for More

Performing is what it's all about in the world of vocal music. Traveling to perform is also part of the scene. Vernon choirs have gone to Washington and Boston. This year they traveled to New York City for their annual performance at the Pan Am building. They also sang in front of St. Patrick's Cathedral and at Rockefeller center. In this particular occasion, alumni are invited to join in.

As the vocal program has grown, the number of groups performing has expanded. The chorus produced a small elite group called chorale and then these groups grew and a Girls Choir was developed. Whatever group, Mr. Richard Zweier's message is the same — "Never be content; always strive for more."

Viking Band Marches on D.C.

The forty-eight member Viking Band traveled to Washington, D.C. to march in the St. Patrick's Day Parade. They left at midnight on March 9 and returned on the 12th. Fund raising activities to offset the bus cost included a cookie sale in the fall, a candy sale in January and a Fish-n-Chips Dinner in February. The trip also included as much sightseeing as time permitted.

During the course of the year the Viking Concert Band performed in three major concerts — the Christmas Concert on December 21, the Solo Ensemble Concert on March 7 for Music in Our Schools Week and the Annual Spring Concert on May 9. Selected members of the band also played in county and regional concerts and some were part of the brass band.

Checkmate!

The chess club meets whenever possible on Mondays after school. This is where the avid chess players get to use all their thought and wisdom to capture their opponents' king. Each week they try to achieve a new plan of attack to always keep their momentum on the offensive. All this is to achieve the phrase checkmate and feel the satisfaction of a job well done.

George Cotnam

Richard Boston

New Club for Handcrafts

Designed to meet the needs of students who enjoy making a variety of hand-crafted items, a new club was formed. The Craft Club meets informally on Thursdays after school in room 012 under the supervision of Ms. Mary Jean Ryerson and Mrs. A. Martin. Students have produced stuffed animals, velvet Christmas balloons, needlepoint, crewel and quilting projects.

Hit the Slope!

As long as the cold and snowy weather permits, the Ski Club meets every Monday for six sessions. The Club provides transportation from the school to Vernon Valley along with discount prices on the lift tickets. Without the discount each ticket would cost eighteen dollars per student. Once the details are taken care of at the lodge, the skiers are gone to free skial three of the Vernon Valley and Crest

George M. Mendenhall

Student Services

Dedicated to serving the student body, our library aides donate time from their study halls to make Mr. Bateman's job a little easier. The aides' daily chores are checking books in and out, collecting passes, sending out overdue notices, and returning student passes to study hall teachers. Mr. Bateman depends upon his aides to handle the clerical details of the library operation so that he can function more effectively.

In addition to the running of the school store, the Distributive Education program is designed to present the business world by offering a realistic view of various careers. The school store allows students to operate and manage a profit-making business. The favorite item in the store's inventory is candy and it's sold during lunch mods. Selling, merchandising, buying, advertising, accounting, and computer operations are major units of concern in the marketing course. Students may elect the supervised work experience that allows them to work outside the school for a half day for both pay and credit.

On the Run

Assisting the guidance counselors by locating students in their classrooms when a counselor needs them for an appointment are the volunteer guidance runners. They also assist the secretaries in the guidance office. They help keep the schedule cards in order, file new college catalogs and booklets in the bookshelves, deliver messages to teachers, and help organize homework for students who are home ill. Office runners assist the administrators with similar tasks.

Attendance runners seem to be on their feet all day. They go from room to room in the morning collecting attendance sheets, then delivering the daily bulletins, and collecting cut slips. They also "collect" students at Mr. Michael Casserly's request.

Availability . . . at Last

More teachers are showing more movies and filmstrips more often and most likely it is because the equipment is now available. The new operating system allows teachers to sign out the audio-visual hardware they need throughout the school day. Burned out bulbs or malfunctioning equipment need not destroy the lesson for the day because Mr. Bryan and his staff of trained technicians are scheduled to handle such emergencies. The students deliver equipment, work with the new computer set-up, or do their homework while they are scheduled to cover the A-V room; they work during their non-credit study hall.

Student Council Reviewed

What would school be like without Student Council? "Boooring!" The highlights of this year's Student Council program were Homecoming, Candy cone-O-Grams, the Christmas Kid die Show, Cornation Sale, Student Teacher Day, Smoking Seminar, Spirit Club, Spirit Week, Pep Rallies, Secret Pals Organization and the Coffee House — and those are only the highlights. This year our Student Council was commended the Honor School

award by the NJ State Student Council

Besides being a fun-making and spirit-creating organization, the council is also a true learning experience. Although limited, the council votes on issues concerning the entire student body and its affairs — giving the students a chance to live government, not just read about it. The rewards for participation are unlimited!

Starring . . . Our Honor Society

I being aware of the honor which is being bestowed upon me do hereby pledge loyalty to this organization. It shall be my earnest purpose to give unsparingly of my time and energy toward the promotion of all school activities. I will strive to be at all times a model student, and will never knowingly bring reproach upon my school; pledge myself to uphold the high purpose of this Society for which I have been selected, striving in every way by word and deed to make its ideals the ideals of my school and of my life and will maintain and encourage high standards of Scholarship, Service, Leadership, and Character.

Below: Joe Phillips is giving his speech on the spectrum. Hugh Hogan is giving his speech on the spectrum. Hugh Hogan gave a speech on the spectrum. Hugh Hogan gave a speech on the spectrum.

Right: Paul Carroll, Honor Society President, and T. Laird, Honor Society Secretary, cutting the ceremonial cake.

SENIORS F 

Washington or Bust

In March the Complimentary Units and the Marching Band participated in the St. Patrick's Day Parade in our nation's capital. To help defray the cost of the bus, the squad sold cookies; the students paid the balance.

Everyone was more than eager for the trip to take place. Mr. David Jones, director, had been on the trip three times and recommended it as "very educational and worthwhile experience." Incidentally, it was fun as well.

The 1983-84 season began with the regular appearances at football games with half-time shows. The season ended with the traditional Memorial Day Parade. The flag captains were Lori McLeod and Marlene Mitchell; Barbara Clark and Sarah Peel served as captains for the rifle squad. Mrs. Irene Batchelor was advisor to the Units.

FLAGS. Front Row: Kelly Lech, Doris Lepore, Maureen Chacon, Julie Gigleman, Jennifer Leiby. Middle Row: Veronica Dignan, Barbara Sojka, Maryalice Hahn, Wendy Marklin, Nancy Begaia. Back Row: Marlene Mitchell, Susan Clark, Lori Devosa, Robyn Goeglein, Lori McLeod.

ABOVE: Marlene Mitchell is in position for an early morning practice on a game day. **RIGHT:** Wendy Marklin, Lori McLeod and Maryalice Hahn help one another out during a much needed break.

COLOR GUARD. Front Row: Sarah Peel, Patti Yorke, Kristen Tittle, Kelly Aldrich, Barbara Clark. Back Row: Colleen Hazen, Denise Brennan, Cindy Schotter, Stacy Storms, Rhonda Malvano.

Baton Twirler
Tina Lockett

The Halloween game against Hopatcong on October 29, 1983, was celebrated by all the marching units. The squads showed their spirit by dressing in Halloween costumes. Vernon is the only school in Sussex county to participate in this way. **FRONT ROW:** Tina Lockett, Julie Giglietti, Nancy Begaia. **BACK ROW:** Marlene Mitchell, Maryalice Hahn, Jennifer Lerby, Kevin Lech.

ABOVE: Cindy Schotter and Colleen Hazen lead the Marching Units off the field after every performance.

The Vike Awards for best supporting actors and actresses go to — all the underclassmen. They are understudies waiting on the sidelines, getting the necessary experience, to take over the leads in the years to come. When the Freshmen become Sophomores, the Sophomores become Juniors, and the Juniors become Seniors, the next version of "Life at Vernon Township High School" will go into production

Class of 1985

Alive in '85

To mark the fall season, members of the Junior Class sponsored a car wash for both fun and profit. For the same reasons they held an Island Dance in the Aloha spirit on December 9. For strictly profit they sold bumper stickers and candy. A carnival was scheduled for March.

Officers Kathi Arratti and Sherri Pearson represent the stronghold of effort and energy as the Class of '85 prepares for their prom. Some of the money they have raised went towards transforming the gym into a musical wonderland. As Kathi and Sherri admitted "that's not an easy task."

JUNIOR CLASS COUNCIL

FRONT ROW: Kris Roome, Dawn Sutton, Sherri Pearson, Wendy Marklin, Kathi Arratti, Kristine Asencia, Diana Conn. MIDDLE ROW: Eileen Peters, Cecilia Walker, Lynn Preste, Kristin Elliott, Alison Reese, Veronica Dignani, Paula Gormley, Cheryl Spoerl, Angela Piccirilli. BACK ROW: Ms. Nora Szalavitz, Tammy Fergus, Barbara Duffy, Robin Fisher, Ann Marie Knecht, Margaret Crocker, Ronald Steisney, Ron Shaw, Tom Burns, John Buonomo, John Dippold, Dove Gorham, Chns Gamm.

CLASS OFFICERS: FRONT ROW: Sherri Pearson, President; Kathi Arratti, Secretary. BACK ROW: Wendy Marklin, Vice President; Kris Asencia, Treasurer.

Winners of the "Voice of Democracy Essay Contest" were congratulated by Mr. Thomas F. Brierley (left), chairman of the VFW Waikiki Valley Post #8441 Essay Contest Committee. He presented Shri Salanka, first place winner, with a plaque and a one hundred dollar savings bond. B. Batchelor and Sherri Carbonara received certificates for their second and third place awards. Mr. Howard J. Whiddle, Vice-Principal (right) was the liaison person for the high school.

In an Effort to Serve

Community services were the highlight of this year's sophomore class. Along with campaigns to raise class funds, the class organized a project to help George Sisco, a young handicapped boy living in Highland Lakes. Some of the class members routinely visited his house every Friday afternoon after school. George is on a program where it takes a lot of time to work with him. The students were able to help George and his family with the program.

The class began collecting and re-conditioning some old children's toys for the Wallkill Valley General Hospital. The toys will bring some joy to ill-stricken children.

A Healthy Treasury and Some Healthy Advice

According to Freshman Glen BeBiosa, who served as manager for the magazine drive, the class of 1987 is off to a great start. With a profit of nearly twelve hundred dollars on sales and approximately five hundred and fifty dollars on candy, their treasury looks quite healthy.

Part of their successful entry into high school life can be attributed to the new advisor program. Thirty-three seniors served as peer counsellors to groups of nine freshmen each. The frosh were glad to have a student of whom they could ask questions and expect a straight answer. Some freshmen got academic help and others social advice.

No film or publication can be produced without financial backing. Monies to publish a yearbook come from individual members of the community. Some people contribute money in the form of advertisements in the book. Seventy percent of the funds come from the actual sale of the book.

Whatever the contribution — in time, effort, money or good wishes — it is appreciated. For making this publication possible . . . the students of Vernon Township High School thank you.

Regional Competition Good for Vernon Students

Friday the 13th brought good luck and success to members of Vernon's chapter of the Distributive Education Program. The groups participated in the North Jersey Regional Competition at the Americana in McAfee. Vince Smith earned a first place in the entrepreneurship category. Bucky Jones, pictured below, received a medal for placing in the top five in the petroleum marketing category. Jason Brian Barber, dressed for the occasion in his tux, attended the general session with Jackie Ziemniak, Michelle Kilduff and Lori Cousin.

Holiday Buffet Promoted by Administration

With a touch of holiday, everyone at Vernon High participated in a special feast prepared by the cafeteria staff. The menu included meatballs and sausage in tomato sauce, fried chicken, rolls and butter, condiments, potato and macaroni salads, cole slaw, and beverages.

The perfect end to a delicious meal was create your own sundae. Mr. Parrella, Mr. Whidden, Mr. Casserly and Mr. Sparta were available to dish out your ice cream and you added decorations.

Commitment to be the Best

All-American, All State All-Groups, All West Jersey, All-Area, that's Kris Peat, a senior at Vernon Township High School

If you ask anyone who knows Kris, they will tell you he is just one of the guys. He's down to earth and that's what makes him a great person as well as a great friend.

If you ask Coach John Ryan about Kris, he would agree that few people can get that much recognition and still stay humble. He says that Kris is easy to coach and is the most dedicated soccer player that he has come across in his ten years of coaching. "He is competitive, respectful, devoted, and the hardest worker. He is like a second coach, especially the way he works with the freshmen." Kris is a quality player and does a great job even having to play over 80 games a year. His lack of fear and excellent technique make him an inspiration to watch. He's a perfectionist, and has a commitment to himself to be the best. "Kris has had to give up a lot to be able to give 100% all of the time," Mr. Ryan added, "and his parents have always given him the support he needs."

Kris's parents have always tried to attend every game in which Kris has played. He started playing when he was seven and has gotten a little better each year. They said that soccer has really been good for the whole family. His family is very proud of him and most of all they like him as a person. "He has so many trophies and awards that you can't tell that the walls in his room are black," added Mrs. Peat. "He has made many friends playing soccer, like it says in their motto from the Thistle F.C., "Friendship through Soccer."

The Best Does Not Always Cost More

Eight hundred twenty-five copies of Explorer 1984 were printed by Hunter Publishing of Winston-Salem, North Carolina, and sold to students and staff of Vernon Township High School. The total contract price was \$17,250 and selling price of an individual book was \$15.00. With constantly increasing costs this higher price was essential.

Before the change was made a survey was conducted of the area schools. Of those that responded, the lowest price was \$16.50 (Jefferson) and the highest \$35.00 (Pope John). Vernon had the highest percentage of sales and the largest book. Only Sussex Vo-Tech used more color.

Portrait photography and some informal work was done by Almar Photo, Ltd. of Spring Valley, New York. All other photography was done by students and faculty of Vernon High.

UNDERCLASSMEN YEARBOOK STAFF FRONT ROW: Dor Diogisavo, Maryll Pappas, Eisa Roth, Kim Swiston. BACK ROW: Robin F. Shubin, Tracy Kelly, Lisa Kaba, Eva Gubner, Janina Biaious, Darlene Barker.

Car-
 chic! Jim
 had we ~~became~~
 pretty good friends
 you're a really sweet
 person, you should
 call me sometime and we'll
 kill army ok? well bye!

Love,
 Dawn
 (Culley
 beet)

SOFTBALL
 III

By
 Karen

Carla,
 you're a sweet
 girl and I love
 ya lots. Good luck
 in your new school and
 with the guys. I'll miss
 ya "sweetie". Have a
 super summer

Love
 ya
 Sue

Carla (Lil' Brat)
 Key ~~the~~ friend!
 you gotta tell ya,
 second one basemen!
 you are a really
 nice person and
 glad we are better
 friends. Take on the
 year especially
 it was a fun year
 especially we are
 team, keep in touch!
 and (4038) call me!
 (27-4038) call me!
 Karen
 (Saver)

Take
 care of
 your fingers!

→
 (27-4038)
 Karen
 (Saver)

Sorry so sloppy
 but I wrote this
 on the bus!

Carla, "Clawie"
 always remember
 "ching chum ring"
 and chum ring
 now all glad we're
 friends. Hope we get
 in the same gym class
 next year. Love ya,
 Stacey

Carla, "Clawie"
 I am really glad
 I got to know you
 better this year. We
 had alot of fun in soft-
 ball & in gym. I hope all
 three of us can be as
 good as friends as we were
 this year.
 Ter a go
 Jackie

call me.
 764-4877

Carla,
 it's been wawwy
 knowing you
 this year. Just to
 warm you, stay away
 from Stacey. She's
 queer! Well anyway,
 have a great summer.
 your friend
 always,
 Karen

Summer a
 co. 2!
 27-9447

Carla. bud! we
 had our little fights
 but we got along
 just great. You were a
 great bud! Remember Bm.
 our problems. Remember
 well you have a
 great summer!
 Maybe you'll be
 going with me to
 JAM BIC H.
 Love F.F.
 Lisa
